-

NOTICES

PRIVATE MEMBER'S MOTION TABLED ON APRIL 27, 1981

3. *Mr. Havrot*—Resolution—That, in the opinion of this House, the Government should reflect the fact that mining is the largest employer, and largest revenue-producer in the North, by examining the feasibility of re-establishing a separate Ministry of Mines. *To be debated May 14th, 1981.*

QUESTIONS

1. *Mr. Nixon*—Enquiry of the Ministry—1. How many teachers are employed in: (a) the public elementary schools of Ontario; (b) the secondary schools; (c) the separate schools. 2. How many students attend each of the above mentioned school systems. 3. What is the average salary in each system. *April 23rd, 1981.*
2. *Mr. Nixon*—Enquiry of the Ministry—1. How many houses in Townsend are owned by residents of the community. How many of these are advertised for sale. 2. What is the cost of the commercial facilities presently under construction at Townsend. 3. What is the cost of the regional government headquarters planned for Townsend. 4. What are the property, developmental and advertising costs so far in the Townsend program. *April 23rd, 1981.*
3. *Mr. Smith*—Enquiry of the Ministry—Could the Minister of Housing provide the following information with regards to its review of the rent control programme: 1. the terms of reference of the contract entered into with Price Waterhouse Associates concerning a questionnaire relating to rent control, whether the contract was one procured by way of tender, advertisement, or otherwise, when such tender, advertisement, or other such notice was offered, and when the contract was signed. 2. the terms of reference of the contract entered into with Social Policy Research Associates concerning a questionnaire relating to rent control, whether the contract was one procured by way of tender, advertisement, or otherwise, when such tender, advertisement, or other such notice was offered, and when the contract was signed. 3. the names of the two urban affairs experts from the University of Toronto who have been retained as part of this review of the rent control programme, the terms of reference of the contracts entered into, whether these contracts were procured by way of tender, advertisement or otherwise, when such tender, advertisement, or other such notice was offered, and when the contract was signed. *April 27, 1981.*

The American Association of Physicians and Surgeons, Inc., is the largest medical organization in the United States, with a membership of over 100,000. It is the only national organization of its kind, and its purpose is to advance the interests of the medical profession and the public. The association is organized into various sections, including the American Medical Association, the American College of Surgeons, and the American Association of Obstetricians and Gynecologists. It also publishes the Journal of the American Medical Association, which is one of the most influential medical journals in the world.

THE JOURNAL

The Journal of the American Medical Association is a weekly publication that provides medical professionals with the latest news, research, and clinical information. It is a valuable resource for doctors, nurses, and other healthcare workers. The journal covers a wide range of topics, including internal medicine, surgery, pediatrics, and obstetrics. It also features articles on medical ethics, public health, and the history of medicine.

The Journal of the American Medical Association is published by the American Medical Association, which is a non-profit organization. The journal is owned and controlled by the association, and its content is determined by the association's members. The journal is published in English and is available to all members of the association. It is also available to the public for a fee. The journal is a key part of the association's mission to advance the medical profession and the public.

The Journal of the American Medical Association is a highly respected and influential publication. It is read by medical professionals around the world and is a key source of information for the medical community. The journal is published by the American Medical Association, which is a non-profit organization. The journal is owned and controlled by the association, and its content is determined by the association's members.
